ALGARVE

BEAUTIFUL BEACHES, WARM WATER AND MAGNIFICENT SUNSHINE ALL YEAR-ROUND, ALGARVE IS A DREAM DESTINATION.

Situated in the south of Portugal, this part of the territory was the last to be conquered from the Moors by the Portuguese in 1292. Traces of the Moorish presence are still seen in its unique terraces, chimneys and whitewashed houses.

The Algarve has idyllic temperatures (soft winters and mild summers) which are perfect conditions for golf and Water sports.

It's not a coincidence that Kitesurf, Sailing and Windsurf World Championships are taken place here!

LISBON & COAST

LISBON IS A LEGENDARY CITY WITH OVER 20 CENTURIES OF HISTORY.

It has the fusion of young trendy confidence and old style assurance.

The centre of Lisbon is elegant with a series of Art Nouveau buildings on broad, tree-lined streets. In contrast, the mystical Alfama district is a region of slim alleyways and winding streets with its typical tile covered building facades echoing Portugal's Moorish and medieval history and where one can hear the Fado being played and sung at night.

Lisbon has also a new part, built after the world exposition 'Expo 98', called now Parque das Nações offering lots of attractions and activities! Lisbon is also the stage for popular festivities, the place for exquisite shopping, interesting museums and exciting nightlife – it is generally considered to be amongst the best in Europe.

On the coast of Lisbon there are several cities that cannot be missed: Sintra, a Unesco World Heritage Site, full of palaces, castles and nobility; Cabo da Roca, Europe's most western point, Cascais & Estoril, very cosmopolitan and elegant, Ericeira, a small and picturesque fishing village... Definitely worth's a visit! If you are looking for experiences, sports and emotions, there are several events going on: Moto Championships, Golf, and Tennis Championships, Jazz and Dance Festivals, Handicraft fairs...

PORTO

Overlooking the Douro River, Porto is one of the most ancient European cities and most ancient tourism destinations, chosen by many tourists and visitors. One of the most significant aspects of Porto and its historical centre is its landscape, combining harmony with the urban structure and presenting a frame of rare beauty. The city was classified as World Heritage by UNESCO in 1996.

The richness of its monumental and artistic patrimony, the Port Wine cellars, the many spots dedicated to leisure and culture are only some of the reasons that invite you to visit Porto. When discovering Porto, you will find many surprises. Porto is contemporary and artistic.

Porto's cultural life goes far beyond its historical and monumental patrimony. Esplanades, entertainment spots, cinemas, music, boat travel, sports and night entertainment are only a few of the available offers as far as leisure is concerned.

DARE TO DISCOVER AND LIVE GREAT MOMENTS ON THIS SURPRISING CITY.

MADEIRA

With a subtropical climate located in the middle of the Atlantic Ocean, Madeira is known as a floating garden! Remarkable for its Gardens and Natural landscapes, Madeira has much more to offer! There are lots of programs that can be made: historical monuments, the famous Levadas, squares and streets in Funchal, picturesque villages, impressive volcanic caves...

MADEIRA HAS ALSO A VERY GOOD NIGHTLIFE WITH SEVERAL NICE PLACES TO GO AND ENJOY!

This is a fascinating landscape, with its high mountains and deep valleys covered by exotic vegetation and colourful flowers. Add to these attractions the charm of the small villages and the cosmopolitan rhythm of the capital, Madeira, and you have plenty of good reasons to set off and explore every corner of the island.

If you're looking for sun and relaxation, you will find mostly basalt-pebble beaches all around the island and bathing complexes that will enable you to enjoy the fantastic natural resources of this archipelago surrounded by a warm, crystalline sea. The average sea temperature is 18°C in winter and 22° in summer, which means you can have a pleasant dip at any time of the year.

THE AZORES: 9 GARDEN-LIKE ISLANDS ON THE HORIZONS OF THE ATLANTIC OCEAN!

Lakes, mountains, forest reserves, nature parks, protected landscape, endemic flora and fauna and protected ecosystems make the Azores a much sought-after destination for nature lovers.

An invitation to discover and experience a different world, repeated on each of the nine islands of the Azores. Ponta Delgada, the capital of Sao Miguel Island, is a very Cosmopolitan city where you will find good shopping, exciting nightlife and relaxing spa's.

In Azores you shouldn't miss the wonderful lakes and breathtaking landscapes, stops at traditional places of craft, and exploring unique local culture and a whale watching. Azores is much known for being one of the best places in the world to do it.

The Azores islands offer you a fantastic environment for outdoor activities. From whale watching and swimming with dolphins, to golf and jeep safaris, there are several resources available.

CAPE VERDE

LONG WHITE SANDY BEACHES, CLEAR AND WARM WATER, SUMMER ALL YEAR ROUND ARE MAYBE THE BEST WAYS TO DESCRIBE CAPE VERDE!

A unique beautiful and exotic landscape offered by each of the 10 islands but on different ways. This is the perfect destination for beach and sports lovers!

Santiago is the most African island of the archipelago. Cidade Velha, the capital is part of Unesco World Heritage and is very famous for its open-air markets.

São Vicente offers a cultural side with some unique rhythms than can only be found here: Funaná, Coladera and Morna are just some examples. Also there are many world known musicians from here!

The people in Cape Verde are extremely friendly and hospitable. They even have a word to describe it: morabeza! Santo Antão is the green island with a luxuriant Nature, fantastic trails for hiking lovers, with lots and wonderful places to view and take photos.

Sal Island was discovered in 1640 and was first known as PLANA meaning “flat’. It was renamed when a lagoon in a crater of an extinct volcano was discovered and in this place, after the rains, salt was produced. This crater is now known as Pedra Lume. The entrance to this crater was made possible by means of an artificial tunnel built in 1804. The crater is at sea-level, and even though the sea is 1 km away the water manages to filter in.

Sal main attractions are the magnificent beaches and sea and the excellent conditions for practising water sports.

The capital, Sal Rei, is tranquil during the day, with its main square buying and selling their productions and down at the harbour tending their fishing boats and nets, playing a game of cards or enjoying a swim. There are some restaurants with local musicians performing and is recommended for music fans and cafeterias on the main square and the town really livens up in the evening when you’ll hear the sad melodic songs of the Morna everywhere. A popular mix between Cape Verdeans and Travelers is the famous Beach Festival of Santa Maria, mainly with cape Verdean performances.

Boavista has long and wonderful beaches with dunes along the coast. Most inland villages have been abandoned with the exception of Povoação Velha, which is still prosperous and friendly and worth visiting.

Boavista is the third most important nesting site in the world for this endangered species. Each year around 3000 turtles come ashore between May to September to lay their eggs on the beaches.

THESE ARE JUST SOME OF THE REASONS TO COME AND ENJOY THESE FANTASTIC ISLANDS!
